Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 20 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny and very warm or hot. Risk of thundery showers.

Today:
A dry and sunny start across the region. However there is a risk of heavy thundery showers developing for the afternoon, with hail and gusty winds possible. Mostly very warm or hot, but cooler towards the east coast. Maximum temperature 31 deg C (88 deg F).

Tonight:
Any heavy thundery showers only slowly dying out during the evening. Then a dry night with long clear spells. Very mild or warm overnight. Minimum temperature 16 deg C (61 deg F).

Wednesday:
Another dry and sunny start, but with the risk once again of afternoon thundery showers. Very warm or hot, but cooler near the coast. Maximum temperature 31 deg C (88 deg F).

Outlook for Thursday to Saturday:
Sunny spells Thursday and Friday, risk of an afternoon shower on Thursday. Continuing very warm inland. Clouding over later Friday, with heavy thundery showers moving in overnight and on Saturday.
